 280 Gele Street, Hlongwane  
Section, Katlehong 1431

## ADDITIONAL SKILLS

- Problem Solving
- Strong Communication
- Teamwork/Collaboration
- Relationship building
- Conflict resolution

## Career Objective

An enthusiastic versatile young person with an excellent attitude towards work. For the past two years I have been a student at a largest open distance learning institute in South Africa that has taught me discipline and the ability to work as an individual or as part of a team.

## Professional Experience

First National Bank

*Software Developer Intern, Feb 2019 - May 2019*

- JavaEE
- SonarQube(jaCoCo)
- Aquillian
- JUnit
- Mockito
- MySQL
- Hibernate
- WildFly application sever

I was also part of the Prod-fest team that was responsible for solving all the logged incidents, problems and requests.

Makro

*Shelf Packer, Nov 2015 - Feb 2016*

- I have worked at Makro through an agency called RPL. I was responsible for shelf packing and sweeping under the shelf before any packing takes place. We usually changed aisle on a weekly basis and I have managed to a permanent worker within a month.

## Education

We Think Code\_

*Software Engineering, May 2018 - Present*

I am currently studying at we think code doing my second year which is my last year from doing:
